

All For One 2013-2014

Goal \$75,000

Elizabeth Lane is a school of excellence thanks to a committed community of teachers, staff and parents. With your support, we hope to once again reach our All For One goal of \$75,000.

We ask that you thoughtfully consider giving to our school, as we value every donation received. Your gift not only is a lasting investment in ELE, it's an opportunity to improve our children's education in a meaningful way.

Thanks to your contributions, the **All For One Fund** helps improve our school in ways big and small. Every gift makes a difference, now and in years to come.

Every Gift Counts

We are proud to kick off our third-annual **All For One Fund** campaign, Elizabeth Lane's major fundraising tool that ensures our students, teachers and staff have the resources necessary to nurture continued success in the classroom.

All For One is easy and convenient. All money raised goes directly to ELE and is available for purchases as soon as needs are determined. "The money raised from the All For One campaign has resulted in students and teachers having tools that foster and enhance 21st century skills in literacy, communication, and technology integration. These tools have enabled our teachers and students to SOAR to new heights," says Principal Tara Sullivan.

As a result of your generosity from last year's All For One campaign, SMART boards are now available to all grades, along with 6 document cameras. Other technological adds include color printers/scanners and a SMART board for music. ELE continues to invest in literacy materials including Royal Reading and Writing Centers, Balanced Literacy/Readers' Workshop materials, books, and much more.

Two Ways to Give

The All For One campaign runs through November 22, but the earlier you donate, the sooner your dollars go to work in the classroom.

Matching Gifts

Matching gifts from companies count toward a family's donation. Dozens of area companies match charitable donations from their employees, doubling the impact of your pledge. Contact your company's Human Resources department to see if your gift is eligible for a match. For a list of corporations that may match your contribution, please visit the **All For One** web page.
